

# NOTICE

The Joint Committee on Public Retirement and Social Security Programs of the Arkansas General Assembly will be conducting regional meetings during the upcoming months. ATRS members are encouraged to attend one of these meetings as it will be a great opportunity to meet various legislators and allow them to hear directly from you, our Membership, how important retirement benefits are for you and your families.

The first day's meeting will be held in the afternoon and will consist of informational presentations by each retirement system director along with a Q & A session. On the following day, the Committee will conduct its regular business meeting.
